

Business & Technical Training College

“Put your FUTURE in GOOD Hands”

BTT will work with every student to develop their skills, to make them job ready. BTT classes are small therefore you will receive more personalized attention from the instructor.

A+ Certification Training

The CompTIA A+ Essentials Exam (220 – 701) objectives reflect the basic functionality of the operating system and basic troubleshooting methodology, practice of proper safety procedures and effective interaction with customers and peers.

The CompTIA A+ Practical Application Exam (220-702) tests the candidate's skills required to install, configure, upgrade and maintain PC workstations, Windows OS and SOHO networks. You will utilize troubleshooting techniques and tools to effectively and efficiently resolve PC, OS and network connectivity issues and implement security practices.
