

Business & Technical Training College

“Put your FUTURE in GOOD Hands”

BTT will work with every student to develop their skills, to make them job ready. BTT classes are small therefore you will receive more personalized attention from the instructor.

Windows 7 Administration Certification Training

Students will be able to install, deploy, and upgrade to Windows 7, including ensuring hardware and software compatibility. Additionally, students will be able to configure pre-installation and post-installation system settings, Windows security features, network connectivity applications included with Windows 7, and mobile computing. Students will also be able to maintain systems, including monitoring for and resolving performance and reliability issues.
